Our Organic Pinot Grigio is light and refreshing, with notes of lemon meringue and custard apple. It is a great pairing alongside grilled shrimp with citrus remoulade or cucumber-sesame salad. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place. Serve chilled.
